Homework – Google Classroom

Dear Parents/Carers

Homework this year is to be set online using google classroom. This will continue to be set every Wednesday, to be turned in by the following Monday. The children will receive a username and log in, and most have had an opportunity to explore the site during their computing lesson. Here is a guide to help your child with logging in, finding their homework and submitting it.

Step 1: Go to **classroom.google.com**

Step 2: The children will enter their username and password. **Note: all usernames are followed with @ravenscote.school and all passwords end with #.**

Step 3: Click on the class to enter.

Step 4: You will come to the “stream”. You will see the latest work posted by the teacher.

To see the work in their subject areas, go to “Classwork”.
