National College Online Safety Training for Parents/Carers

Dear parents and carers,

We're delighted to let you know that Ravenscote Junior School has become a member of The National College – a multi-award-winning online training provider for staff and parents. As part of our membership, The National College provides dedicated training and resources for parents and carers – specifically, around online safety and how to keep children safe online.

Within school we will continue to teach children about the many risks associated with being online, however with the internet so readily accessible, the most effective approach to teaching about online safety is for children to learn about it both in school and at home.

To support you in doing this, you now have access to a wide variety of courses, online safety guides and information videos covering a wide range of topics from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.

To sign up to the training all you have to do is follow the link below, and fill in your details - <https://nationalcollege.com/enrol/ravenscote-junior-school> Once you have filled in your details, select 'Parent/Carer' as your user type and this will give you instant access to all the training and resources.

Should you prefer to, you can access all the parent and carer resources via the National Online Safety App, which can be downloaded using the links below -

- [App store](#)
- [Google Play](#)

We very much hope that you make use of this wonderful resource.

Yours faithfully,

Mrs Natalie Nicholson
Acting Deputy Head
