The cost of the course is £9 per child and is payable through the Bikeability enrolment website. When you finish enrolling, you will receive a confirmation email from Surrey County Council cycle training team. Please note that enrolment closes on **Wednesday 13<sup>th</sup> December 2023**.

Your child will be allocated to one of the courses by the school, after which you will receive a further email giving your dates and times. Children will need to have a roadworthy bike, that is in a safe condition and has brakes, the bikeability team will not be able to make repairs. The Instructors are authorised to make minor adjustments, with your child's consent, such as adjusting saddle height, but they are not cycle mechanics. It is also compulsory that each child has a good fitting cycle helmet.

Please be advised that if you do not enrol your child by 13<sup>th</sup> December 2023 your child will not be able to take part in this activity. As this event is managed by Surrey County Council the school will not be able to send reminders to those children who are not enrolled.

The specific date that your child will be having their training will be sent to you in due course, along with further details.

Yours sincerely,

The Year 4 Team
