Wednesday 17th January 2024

Dear Parents/Carers

## **RE: Year 5 Winchester Science Museum Educational Visit**

On Wednesday 13<sup>th</sup> March 2024, Year 5 will be visiting the Winchester Science Museum, as part of our studies in science and English. Whilst at the museum, the children will take part in a workshops relating to space, and spend time in the planetarium. They will also have time to tour the museum's other fantastic attractions, which support the children's learning across the science curriculum.

We will be leaving Ravenscote at 9.00am and returning by 3.25pm. Please could you make sure your child is on time so we can depart promptly. After school clubs will still be taking place on this day. As always if your child will not be attending their club you **MUST** inform the office in advance.

The cost of this visit will be £24 per child which includes the coach hire and admission. Payment and consent is to be given via ScoPay and must be made by 9<sup>th</sup> February 2024.

For this visit the children will need:

- School Uniform
- Packed lunch
- Small rucksack to carry lunch.

We will not be visiting the shop so no money is required.. Please consider allergies when packing a lunch, therefore please do not include any nuts or products that contain nuts.

We must remind parents that the cost includes expenses that have been paid by the school, therefore it is not possible to refund any part of the cost if you withdraw your child.

We would love for every child to be able to go so please contact us if you have any concerns or financial difficulties as soon as possible so we are able to discuss ways we can support you. It truly is an incredible experience and we know just how much the children get from the trip.

Yours sincerely,

Year 5 and the Science team
