

Ravenscote Junior School
Long Term Plan – Maths

	Autumn	Spring	Summer
Year 3	Statistics Geometry Number and Place Value Addition and Subtraction Length	Addition and Subtraction Length Perimeter Mass Time Multiplication and Division	Time Multiplication and Division Fractions Money
Year 4	Place Value Statistics Geometry – Properties of a shape Geometry – position and movement Addition and Subtraction Time	Addition and Subtraction Time Multiplication and Division Money	Multiplication and Division Measurement Times Tables Fractions Decimals
Year 5	Place Value Addition and Subtraction Multiplication and Division Geometry – Properties of a shape	Multiplication and Division Geometry – position and movement Fractions, Decimals and Percentages Measurement	Fractions, Decimals and Percentages Measurement Time Statistics
Year 6	Place Value Measurement Four Operations Geometry – Properties of a shape Geometry – position and movement	Fractions, Decimals and Percentages Geometry – position and movement Statistics Algebra Ratio and Proportion	Real-life problem solving covering measurement, geometry, statistics, algebra and ratio and proportion. Fiver Challenge – real life problem solving including money.
