Dear Parents/Carers

## **Use of mobility aids in school, including crutches and mobility boots**

In the unfortunate event that your child sustains an injury which requires the use of a mobility aid, such as crutches or a mobility boot, it is vital that, prior to them attending school again, you notify the school so a meeting can be arranged. Before any child can attend school with crutches or a mobility aid, a risk assessment must be carried out to ensure their safety and that of other pupils within the school premises. Please email into school a copy of the communication you have had from the hospital prescribing the mobility aid, for the attention of your child's class teacher. A meeting will then be arranged at a suitable time.

This communication is vital to guarantee the necessary precautions are in place to create a safe learning environment for your child and their peers.

Your cooperation is greatly appreciated, as we strive to maintain the highest standards of safety and well-being for all pupils at our school.

Best regards

*N. Nicholson*
