Dear Parents/Carers,

## Online Safety Series – Video 5

Welcome to the fifth video of this online safety series, video 5 is all about Social Media.

In this video we're taking a look at social media. We are only covering the basics as social media is huge, it is the one area where we find all the most serious issues (content, contact, conduct and commerce) but included are some links below the video link that you will hopefully find useful.

In order to access the video, the link would have been sent via the weekly digital parenting letter.
