

# Photo Permissions

We are asking all parents to carefully check the permissions for their child/ren on the ScholarPack Parents App.

Please be aware that photos from school events, school activities and education visits and trips are often posted on X (Twitter.) Photos used on social media can also be used for our newsletters. If you have not given permission for photos to be used on social media or in our newsletters, you will not be able to see photos of your child enjoying activities at school.

Please remember that you can always view your child's permissions on your ScholarPack Parents App, under the 'permissions' section.

If you would like to change any permissions please send the office a quick email, and put 'Permissions' in the subject bar – [info@ravenscote.surrey.sch.uk](mailto:info@ravenscote.surrey.sch.uk)
