Dear Parents/Carers

## Harvest Food Donations for Step by Step

I hope this letter finds you well. As part of our commitment to fostering a spirit of community and empathy among our students, we are organising a food donation drive in support of Step by Step, a charity based in Aldershot that provides essential services to homeless and vulnerable young people. We kindly invite your participation in this noble endeavour.

The food donation drive will take place on Wednesday, 9<sup>th</sup> October 2024. We encourage each student to bring in non-perishable food items such as canned goods, pasta, rice, and cereals. These items will be collected throughout the day and then delivered to Step by Step to aid their ongoing efforts in supporting those in need. Please bring your donations to the tables outside reception on the morning of 9<sup>th</sup> October, ready for Step by Step to collect later on that morning.

We recommend checking the expiration dates of the items you plan to donate, ensuring they are suitable for consumption. Moreover, we kindly request that all donations are made in sealed packaging to guarantee the safety and quality of the food provided.

This initiative represents a wonderful opportunity for our students to engage in community service and develop a greater understanding of the challenges faced by others. We believe that encouraging this sense of responsibility will greatly benefit our students' personal growth and moral development.

We appreciate your support in making this event a success and thank you in advance for your generous contributions.
