Ravenscote Junior School

SEND Policy

“Every child and young person with Special Educational Needs or a disability (SEND) will be entitled to a high quality educational provision; they will be supported by a skilled and confident work force who work in effective partnerships and are committed to ensuring children and young people achieve their personal potential.”

Surrey County Council

At Ravenscote we welcome the opportunity to fulfil our obligations towards SEND children and play a full and active part in their achievement. At Ravenscote we respect the unique contribution which each and every individual can make to the school community and welcome individual differences in ability, aptitude and skill.

We are proud that we deliver a broad range of support and interventions to ensure all children progress academically, personally, socially and emotionally. Our mission is to create a safe, happy and inclusive learning environment which challenges and motivates all our children.

Definition of SEND

At Ravenscote we use the definition for SEN and for disability from the SEND Code of Practice (2014).

This states:

SEN: a child or young person has special educational needs if he or she has a learning difficulty or disability which calls for special educational provision to be made for him or her. A learning difficulty or disability is a **significantly greater difficulty in learning than the majority of others at the same age**. Special educational provision means **educational or training provision that is additional to, or different from**, that made generally for others of the same age in a mainstream setting in England.

Disability:

Many children and young people who have SEN may have a disability under the Equality Act 2010 - that is **“... a physical or mental impairment which is long term and substantial adverse effect on their ability to carry out normal day-to-day activities”**.

Key roles and responsibilities

Inclusion AHT

The inclusion AHT has day-to-day responsibility for the operation of the SEND policy and coordination of specific provision made to support individual pupils with SEND, including those who have EHC Plans. Part of the role of the inclusion AHT is to coordinate arrangements with the class teacher and support assistants regarding those pupils with SEN and disabilities. The inclusion AHT is the school SENCO.

Inclusion AHT Name: Miss Natasha Solway

Contact details: nsolway@ravenscote.surrey.sch.uk 01276 709007

Miss Solway is a member of the school Senior Leadership Team

Role of the Special Needs Coordinator (SENCO)

- Assist in identifying and monitoring those children with SEN, whatever their need may be
- Ensure that, after consultation with the class teacher, the programme of work required for the child is relevant to their needs
- Ensure that, whatever additional resources are needed, they are made available to the class teacher
- Write, or assist in writing, reports for outside agencies
- Liaise with, and support the input of outside agencies
- Liaise with parents of children with higher levels of SEN and ensure good communication exists between home and school
- Provide the necessary professional support for staff and training if necessary
- Maintain an effective tracking system for SEN children
- Contribute to personalised provision maps
- Review personalised provision maps with class teachers on a termly basis
- Coordinate the work of the SN teacher and LSAs, offering advice and training opportunities
- Reallocate human and physical resources as necessary to meet the changing needs and number of children with SEN
- Maintain links with feeder and secondary schools to ensure smooth transition of SEN pupils
- Administer and analyse standardised tests as required
- Compile and update SEND register
- Complete annual audit of SEND pupils for submission to LEA
- Report annually to Governing Body on the success of SEND provision
- Develop, implement and review SEND Policy

Staff with specific roles relating to SEND:

SEND Governor: Mrs Amy Wells

Higher Level Teaching Assistants (HLTA); Mrs Tina Derry

Our HLTA supports in the classroom, carries out specific interventions as necessary, oversees reading and spelling additional support and covers classes.

National Support School

Teaching & Leadership

Engage Enrich Excel Academies

T/A Ravenscote Junior School

Registered Office: Old Bisley Road, Frimley, Surrey, GU16 9RE

Company Registration Number 9279884 (England and Wales)

Learning Support Assistants (LSAs): 23 LSAs, including part time and full time, support either specific children or support in classes under the guidance of the class teacher or carry out interventions agreed with the class teacher and SENCO.

Management of pupil premium funding: Miss Natasha Solway

Management of safeguarding issues: Mr Paul Morley

Management of provision for Looked After Children: Miss Natasha Solway

Management of medical needs: School office and Mr Paul Morley

Introduction

This policy was initially created in partnership with representatives from our parent body and pupils, teaching and support staff, the SEN Governor, Head Teacher and SENCO. The policy reflects the statutory guidance set out in the Special Educational Needs and Disability Code of Practice 0 - 25 years (July 2014).

The policy is available to parents and carers in a number of ways:

- The school website under curriculum/SEND
- In the school's prospectus
- A hard copy on request from the school office (enlarged font if preferred)

Context

This policy complies with the statutory requirement laid out in the SEND Code of Practice 0 – 25yrs (July 2014) and has been written with reference to the following related guidance and documents;

- Equality Act 2010 (Advice for schools DfE Feb 2013)
- Schools SEN Information Report Regulations (2014)
- Statutory Guidance on supporting pupils at school with medical conditions (2014)
- Safeguarding Policy
- Accessibility Plan
- Teachers' Standards 2012

Our Aims and Objectives

At Ravenscote School all pupils, regardless of their particular needs, are provided with inclusive teaching which will enable them to make the best possible progress. In school we will work hard to make them feel a valued member of the community.

- We aim to have a curriculum that is accessible to and inclusive of **ALL** children, and which meets their needs
- We aim to identify and assess the children's needs and to act upon the results of such identification
- We expect that all pupils with SEND will meet or exceed the high expectations set for them based on their age and starting points
- We aim to ensure that children with SEND receive a broad and balanced curriculum and join in all school activities as far as possible

Company Registration Number 9279884 (England and Wales)

- We aim to encourage parents and carers as partners in the learning process for their children
- We aim to celebrate the notable achievements made by all pupils
- We want all pupils to become confident individuals who will be able to make a successful transition to secondary school

Identifying Special Educational Needs

Many children, at some time in their school career will have SEN of some kind. The difficulties that a child may experience can vary, and may involve problems in one area or several areas. Early identification of pupils with a SEN is considered a priority and to facilitate this we have developed close links with our feeder schools. Some children will need help and support for all of their time at school, whilst others may need help for a short time.

The Code of Practice 2014 describes 4 broad categories of need:

- **Communication and Interaction** including:

Speech, Language and Communication Needs
Autistic spectrum disorder

- **Cognition and Learning** including:

MLD – Moderate Learning Difficulties

SLD – Severe Learning Difficulties where pupils are likely to need support in all areas of the curriculum and associated difficulties with mobility and communication

PMLD – Profound and Multiple Learning Difficulties where pupils are likely to have severe and complex learning needs as well as physical disability or sensory impairment

SpLD – Specific Learning Difficulties where one or more specific aspects of a pupil's learning are affected. This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia

- **Social, Emotional and Mental Health** including:

ADD – Attention Deficit Disorder

ADHD – Attention Deficit Hyperactivity Disorder

Attachment Disorder

A wide range of difficulties which manifest themselves in a variety of ways including becoming withdrawn and isolated, displaying challenging or disruptive behaviour

Underlying mental health conditions such as anxiety, depression, self-harming, substance misuse and eating disorders may be evident.

- **Sensory and/or Physical** including:

VI – Visual impairment

HI – Hearing impairment

MSI – Multisensory impairment

PD – Physical disability

Identification of need takes evidence from various strands:

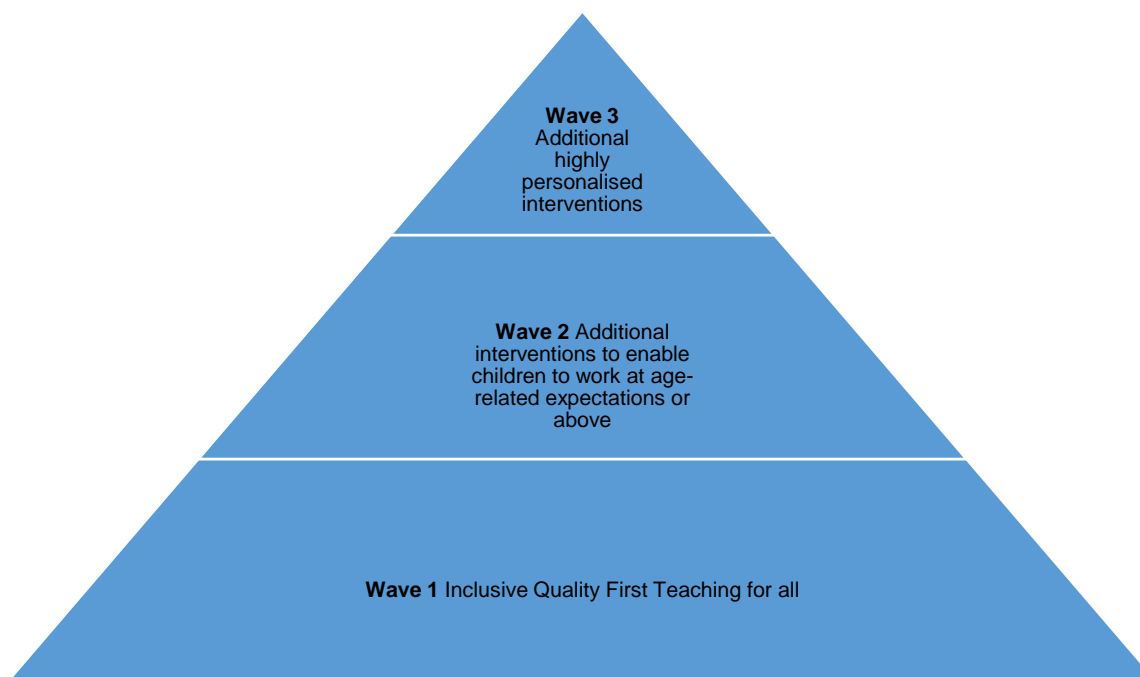

Liaison with feeder schools
 KS1 results
 Discussion with parents
 Screening tests on arrival
 Teacher assessments, formal and informal
 Testing by SENCO
 Advice from professional bodies

Regular monitoring throughout the school year is quick to pick up lack of progress or specific difficulties.

A Graduated Approach to SEN Support

All pupils in Ravenscote receive a differentiated learning experience through 'Quality First Teaching.' Class teachers are responsible for all pupils in their class, including those pupils who have additional needs and those who access support from learning support assistants or specialist staff.

The school follows the SEND Code of Practice 2014 0 to 25 years graduated response to identify, assess and review pupils' needs.

Regular assessments are undertaken by class teachers and these are monitored by the senior leadership team, including the SENCO. These assessments seek to identify pupils making less than expected progress given their age and individual circumstances. This can be characterised by progress which:

- is significantly slower than that of their peers starting from the same baseline
- fails to match or better the pupil's previous rates of progress

- fails to close the attainment gap between the pupil and their peers
- widens the attainment gap.

The progress and attainment of all pupils is reviewed termly, pupil progress meetings are held with the Assistant Heads, and SEN children are discussed with the SENCO.

We seek to involve the parents/carers of the pupils in the process and, where appropriate, the pupils themselves. Feedback at parents' evenings always includes discussion about additional support or interventions being carried out.

Identification of needs and placing pupils on the SEND register

When pupils are placed on the SEND Register following concerns raised by staff the school follows the cycle of Assess, Plan, Do and Review:

Assess: The class teacher (and when appropriate, SENCO), regularly assesses pupils' needs so that each child's progress and development is carefully tracked compared to their peers and national expectations.

Plan: Where SEND Support is required, the teacher and SENCO will agree a plan outlining the adjustments, interventions and support which will be put in place for the pupil as well as their expected outcomes. All staff who work with the pupil will be made aware of the contents of the child's 'personalised provision map'. Parents/ carers will be involved from an early stage and encourage to support progress through reading and supportive activities at home too.

Do: The class teacher is responsible for working with the pupil on a daily basis. She/he will also liaise closely with Learning Support Assistants and/ or specialist staff from external agencies who provide any support which is set out in the plan and monitor the progress being made. The SENCO will provide support, guidance and advice for the teacher.

Review: Where the interventions involve group or 1:1 teaching away from the main teacher, the class teacher will still retain responsibility for the pupil. She/he should also liaise with LSAs and outside agencies where appropriate to assess the impact of interventions and how they can be linked to classroom teaching. The SENCO continues to provide support, guidance and advice for the teacher. Pupils who are on the SEND Register have their provision recorded on a personalised provision map. Details about different interventions can be found on the school website under SEND. These targets, as well as the impact of any interventions, will be reviewed each term by the teacher and SENCO. This will inform the planning of next steps for a further period or, where successful, the removal of the pupil from SEND Support.

<p>October: new targets are set by the class teacher and SENCO. These are shared with the pupil and with parents/carers during Parents' Evening. The parents of 'higher need' SEN children are invited to a meeting with the SENCO.</p>	<p>February: targets are reviewed, progress shared and new targets set. These are shared with the pupil and with parents/carers during Parents' Evening.</p>	<p>July: targets are reviewed. Progress is shared with the pupil. Parents and carers will receive a reviewed copy of the personalised provision map and will also have the opportunity to discuss the targets with the teacher.</p>
--	---	--

For pupils with an Education, Health and Care Plan, (EHCP), the Local Authority must review the plan at least annually.

Additional support

SEN Support can take many forms. These can include:

- a specific learning programme or intervention
- extra help from a teacher or a learning support assistant
- making or changing materials or equipment
- working with the pupil in a small group
- observing the pupil in class or at break times and keeping informative records
- helping the pupil to take part in class activities
- ensuring that the pupil has understood instructions or teaching points by encouraging them to ask questions and to try and have a go at things they may find difficult
- helping other children to work or play with the pupil
- supporting the pupil with physical or personal care difficulties

This list is not exclusive and varies depending upon the need of the children. Up-to-date provision can be found on the school provision map in the SEND area of the school website.

- **Outside agencies**

The school benefits from active involvement through a traded Specialist Teachers and Educational Psychology Service, advisory service for visual and hearing impairment, speech and language therapy, Children and Adolescent Mental Health Service (CAMHS) etc. Links with local primary schools is

maintained through a SENCO network where expertise can be shared. Outreach Services are also available.

Managing pupils' needs on the SEND register

At Ravenscote each pupil is seen as an individual and we endeavour to develop a programme of support to meet each child's specific needs.

- The class teacher, together with the SENCO, monitors progress and targets are reviewed termly. At this stage a SEN may be identified.
- The teachers maintain the records of progress for the pupils.
- The process of Access, Plan, Do and Review links in with the Parents' Evenings although parents of children may request additional meetings with the SENCO and/or class teacher. An end of year report is written for all children during the summer term.
- The SENCO maintains a costed provision map using an in-house system.
- The intervention programmes used in the school are tailored for our children and several are created by experienced members of staff. All are monitored for effectiveness.
- A few pupils on the SEND register are referred to outside agencies who offer support, guidance and assessment. The SENCO will refer the pupils to the relevant agency with parental permission. Opportunities for the parents/carers to meet with these agencies is encouraged.
- The SEND Register is maintained and kept up-to-date by the SENCO. The class teachers and SLT retain a copy and the register is reviewed on a termly basis.
- All children on the SEND register are classified under the category of SEND Support unless they are in receipt of an Education, Health and Care Plan.
- When a pupil has made significant progress and no longer needs to receive additional support it may be decided to remove that pupil from the SEND register. After removal from the SEND register the pupil is closely monitored by the class teacher and SENCO to ensure continued expected progress is made.

Education, Health and Care Plans (EHCPs)

Where a pupil has a significantly greater level of need, even after putting in place a wide range of interventions and support, the decision to request a formal assessment for an EHC Plan may be made with the parents/carers, the school and any relevant outside agencies. An application is usually made following two full cycles of Assess, Plan, Do and Review.

The SEN team at Surrey County Council, together with the input of an Education, Health and Care Plan Coordinator, will make the decision whether to issue an EHC Plan. This Plan will outline the outcomes being worked towards, and provision to be provided in order to meet the pupil's needs.

Supporting pupils and their families

Parents can access the Surrey Local Offer on the county's website.

<https://www.surreylocaloffer.org.uk/> This provides information for parents/carers about what is available in the local area, including local agencies.

Ravenscote's SEND information can be found on the school's website under 'SEN'. This includes the:

- SEN Policy
- SEND Information Report
- Frequently Asked Questions (also known as the '14 Questions' or 'School Local Offer')
- Whole School Provision Map
- Intervention details

Transition between phases

Transition can be a difficult time for pupils with SEND. At Ravenscote we support any key transitions that the pupils may make including:

- Key Stage 1 to Key Stage 2
- Key Stage 2 to Key Stage 3 (secondary)

We also support transitions between year groups e.g. Year 3 to Year 4. Pupils can be given opportunities to visit the new class teacher prior to moving up, learning support assistants can produce transition booklets with pictures of the new classroom, cloakroom and teacher etc.

Supporting Pupils at school with medical conditions

Ravenscote recognises that pupils with medical conditions should be supported discreetly so that they have full access to education, including school trips and physical education as outlined in the statutory guidance 'Supporting pupils at school with medical conditions' DfE, September 2014.

Pupils who have medical conditions can be supported by:

- individual healthcare plans
- access to toilet facilities
- trained staff
- emotional support if necessary

Some children with medical conditions may be disabled and where this is the case the school will comply with the duties under the Equality Act 2010.

Other pupils may also have special educational needs and may have an Education, Health and Care Plan which encompasses health and social care needs as well as their special educational provision. The school adheres to the SEND Code of Practice (2014) as well as the DfE document outlined above.

All staff are first aid trained- this is renewed on a regular basis. Many staff are Epi-Pen trained and some have had training in more specific areas e.g. epilepsy, asthma and diabetes.

Monitoring and evaluating SEN

The monitoring and evaluating of provision is a continual process. The SENCO meets termly with the SEN Governor to discuss provision and current practice and she will then report back to the Full Governing Body. The SENCO is on the Senior Leadership Team who meet at least fortnightly. Interventions are closely tracked and observed in order to improve the quality of provision. The SENCO also carries out learning walks. Meetings between all the learning support assistants and the SENCO take place

approximately monthly. Issues are discussed and planned for, training is given as appropriate. Agendas for meetings are kept.

Training and development

We encourage all staff to continue to develop their quality of teaching and participate in regular training. This training can be through in-house INSET and staff meetings or via outside agencies including Surrey Specialist Teachers, Educational Psychologists, health professionals and Babcock 4S consultants. Many useful training opportunities are offered through our network of local schools.

Individual staff members (teachers and LSAs) have recently received, or are receiving, training on autistic spectrum disorder, Speech and Language, social, emotional and mental wellbeing including behaviour and bereavement, specific medical conditions including epilepsy and diabetes and reading and maths interventions.

The SENCO is a member of the local SENCO Network group in order to keep up-to-date with local and national changes in SEND and has fostered partnerships with local schools in order to continue to develop best practice. Where there are specific training needs the school will source a provider to deliver this.

Storing and managing information

Confidential information on pupils with SEND is stored in the SENCO's office in a locked cabinet. The teachers also have a SEN folder in their classrooms containing more general SEN information including targets and provision. All staff are aware of the importance of confidentiality. Electronic records are stored on the school's server and is password protected.

All relevant information is shared between appropriate teaching staff and LSAs. The lunchtime supervisors are informed of specific needs which may require special attention during lunch time break. Up to date information is also passed on to the next class teacher at the end of the academic year to ensure an effective transition takes place. When a pupil moves to another school all records are forwarded on to them.

Reviewing the SEN Policy

This SEN policy will be reviewed annually.

Dealing with complaints

The school endeavours to work in partnership with parents and carers. We encourage parents/carers to approach the class teacher in the first instance, followed by the involvement of the SENCO if necessary. All complaints are taken seriously and are dealt with in line with the school's complaints policy and procedure. (Details can be found on the school website under 'non curriculum policies').

Further guidance can also be found on the Surrey County Council's website 'Responding to Parental Concerns':

<https://www.surreycc.gov.uk/schools-and-learning/schools/support-for-parents-and-carers>

This policy should be read in conjunction with:

- Children with Medical Conditions policy
- Safeguarding and Child Protection policy
- Equality policy
- Behaviour policy
- Anti-Bullying policy
- Accessibility Plan
- Single Equality scheme and Action Plan
- SEND Information Report
- Whole School Provision Map
- The school's Local Offer (also called Frequently asked questions/ 14 Questions)
