Dear Parents and Carers,

At Ravenscote Junior School, we are passionate about helping our students become compassionate, thoughtful citizens who make a positive difference in the world. Each year, we support a charity that aligns with our values and this year, we are proud to be supporting 'Beyond.'

Beyond is a youth mental health charity that exists to improve the mental health and wellbeing of young people across the UK. Founded by Jonny Benjamin MBE, Beyond focuses on early intervention, peer support, and making sure young voices are at the heart of the conversation. Their work supports schools, families, and communities by breaking down stigma and providing vital resources for mental health support.

Our goal is to raise £6,200 over the course of the year, which works out as just £10 per student. We believe this is an achievable target if we all come together as a school community and every pound raised will help Beyond continue their crucial work supporting young people's mental health.

We will be holding a range of exciting fundraising activities throughout the year, including:

- Non-uniform days and dress-up events
- Sponsored active challenges
- Student-led fundraising stalls
- Assemblies and awareness days to educate our pupils about mental health and the work Beyond does.

Our first fundraising events will be the year group Christmas shows. These much-loved performances are a wonderful opportunity to come together as a school community and this year, they will also help us kickstart our fundraising for Beyond.

We have set up a JustGiving page where contributions can be made at any time throughout the year:

<https://www.justgiving.com/page/ravenscotejuniorschool>

Please don't feel pressured to donate more than once if you are attending multiple shows unless, of course, you would like to!

These donations will go directly towards our fundraising total and help reinforce the message to our students that, through small acts of generosity, they can be part of something much bigger.

We would love for you to be part of this journey. Whether that means supporting your child with an event, contributing to a donation drive, or simply having conversations at home about mental health, your involvement makes all the difference.

Together, we can help ensure more young people have access to the mental health support they need and show our students the power they have to create real change.

Thank you, as always, for your support.
