Family Link Worker

My name is Sara Morgan and I am the Family Link Worker at Ravenscote. I have worked at Ravenscote for many years so I have got to know many of our children and families.

The role of Family Link Worker involves:

- * Acting as an accessible and friendly link between home and school.
- * Supporting families, parents and children on a 1:1 basis in a calm, private space.
- * Helping children and families with increasing school attendance and punctuality, so children can have full access to all educational opportunities.
- * Providing relevant signposting to appropriate support services available for our families.

Areas of support include:

- * Supporting families reacting to change, such as illness, separation or bereavement.
- * Offering guidance with emotional and behavioural issues.
- * Helping parents/carers who may need support with issues impacting family life.

We also offer our families the opportunity to meet up via coffee morning chats to discuss areas of concern such as managing emotions, self-esteem and positive parenting.

I am based in the school office but am often found walking our school dog Margot on the playground and field at school drop-off times in the mornings, if you would like to catch me!

I can also be contacted via email: flw@ravenscote.surrey.sch.uk or phone number; 01276 709007

Best regards

S.Morgan
