Year 6 SATs Revision Books

Dear Parents/Carers,

As mentioned at our SATs information evening, to help consolidate the revision of the Key Stage 2 programmes of study, we are offering a bundle of revision books that you can purchase for your child to use between now and the SATs tests in May. The books listed from the bundle are all in line with the current national curriculum and the style of testing. These books are great for helping your child to revise and to prepare them for SATs.

The study books explain the content that is covered within lessons with helpful definitions, examples and diagrams whilst the workbooks and question book provide questions and activities for the children to work through. The 10-minute test collection provides SATs-style tests for short, sharp bursts of test practice which we find the children enjoy.

These bundles are sold at a special school price and cannot be bought in the shops at this price.

If you would like to purchase a bundle of revision books, please log into Arbor and navigate to School Shop. Please make your payment by Wednesday 5th November. Orders will not be accepted after this date.

Yours sincerely

D.Mills
