Wednesday 25th February 2026

Dear Parents/Carers,

## Local Educational Visit: DT workshop at Tomlinscote – Corrected date

On **Tuesday 10<sup>th</sup> March**, Year 4 children will have the fantastic opportunity to work with the teachers and students of Tomlinscote School to build the electronic components of their light-up boxes. Next week, the children will be hard at work constructing the exterior structure of their light-up box and will produce some fantastic results.

We are pleased to say that we will be covering the cost of the components so at the end of the project, the children will be able to bring home their completed light-up boxes.

We will be leaving Ravenscote at 9am and walking to Tomlinscote School where the children will be taken through the process of creating the electrical circuits. The workshop will finish at 11.30am to ensure that we are back in school for lunch time at 12.10pm, without impacting lunchtime.

Due to Tomlinscote close proximity, there is no need for you to give your consent for this activity, as consent had already been given for local school events when your child started at Ravenscote.

We will also need several parent volunteers per class to help accompany us and ensure we have the appropriate adult to child ratios. If you think this is something that you can support us with, please contact the Mr Sage or Miss Bye through the [info@ravenscote](mailto:info@ravenscote) email account as soon as possible.

Yours sincerely,

*E. Bye*

Miss Bye  
Year 4 Teacher
