29th April 2026

Dear Parents and Carers,

Year 3 Local Geography Walk

On Tuesday 19th May for 3A and 3E and on Thursday 21st May for 3B, 3C and 3D, at 1.30pm until approximately 2.45pm, Year 3 will be going on a circular walk looking at human and physical geographical features found in our local area (see map below) as part of our Geography Local Area topic. We will be using map skills to follow the route marked on a map and pausing at examples of geographical features to identify if they are human or physical examples. We expect the walk to last no longer than an hour.

In order to support the running of these fieldwork afternoons, we require additional adults to accompany each class. We have spaces for **two parent helpers per class**. If you would be interested in helping on the fieldwork local area walk, please email info@ravenscote.surrey.sch.uk with 'FAO Mrs Mitchell' to let us know and include your child's name and class. We require all responses by Friday 8th May. We will then be in touch to let you know either way whether we require your help.

Kind regards,

The Year 3 Team
