Dear Parents and Carers

Non-Uniform Day for 'Beyond'

We are delighted to let you know that on **Friday 22nd May** the children are invited to take part in our non-uniform day in support of our charity Beyond. To join in, we kindly ask that each child makes a donation to Beyond. Please [click here](#) to instantly donate to our charity.

The theme of our non-uniform day is "Looking Beyond". We are encouraging children to dress as what they aspire to be when they grow up. This is a wonderful opportunity for them to think creatively about the future and to imagine all the exciting possibilities ahead of them.

We will be looking for the most imaginative career choices! Children may come dressed as scientists, teachers, lawyers, builders, or indeed anything else they would like to be when they are older. We would love to see the children thinking beyond who they are now and exploring who they could become.

This is always a lovely occasion and a chance for children to show their ideas, confidence and imagination. It is also a meaningful way for us to support an important cause together as a school community. We greatly appreciate your continued support and generosity.

Please ensure that your child wears an outfit that is suitable for school and allows them to take part comfortably in the day's activities. (no cropped tops, flip-flops, heeled shoes etc.)

My Child usually has PE on Friday?

If your child usually has PE on Friday, they may bring trainers into school to change into. It is also recommended that the children wear clothing suitable for PE lessons.

Thank you for helping to make this a positive and inspiring event for our children.

Yours sincerely
