Dear Parents and Carers,

## Re: This Year's Charity 'Beyond'

Thank you for all of your contributions so far throughout the year in support of our chosen charity, Beyond. We are very grateful for the generosity shown by our school community, particularly during our Christmas performances, when we received our largest donations to date.

We have a very long way to go to reach our target! In order to make a meaningful difference for Beyond and the young people it supports, **we need your help** to boost our donations over the coming months.

Beyond is a youth mental health charity dedicated to tackling the growing mental health crisis facing young people across the UK. The charity works to improve access to support by creating opportunities for early and personalised interventions. Through its expertise and resources, Beyond equips those working with young people with the tools they need to provide effective mental health support. Its work includes delivering fully funded, bespoke mental health support for schools and colleges, helping to fill the gaps in provision and ensuring that no young person is left without help.

We are delighted that Beyond has also supported our school by facilitating teacher training, including a two-day Mental Health First Aid course. This training gave staff valuable skills and resources to strengthen the excellent support already provided for children.

To help us increase the amount we raise, we would be very pleased to hear from any parents or carers who may wish to complete their own external fundraising challenge on behalf of the school. If you would like to take part in this way, please let us know and we will be happy to support your efforts. Please send me an email on [info@ravenscote.surrey.sch.uk](mailto:info@ravenscote.surrey.sch.uk). Please put my name in the subject bar.

In addition, we will be holding a cake sale at our community event to help raise funds, with more details to follow nearer the time. We will also be running two additional non-uniform days under the theme 'Looking Beyond', and further information will be shared with you in due course.

We would be extremely grateful for your continued support as we work towards our fundraising goal for this important cause. Every contribution, however small, will help us make a positive difference.

Please [click here](#) to instantly donate to our charity.

Yours sincerely
