Hot Weather Arrangements This Week

Dear Parents and Carers,

With hot weather forecast for Frimley and the surrounding area this week, I wanted to update you on the arrangements we have in place to ensure that all children remain safe, comfortable and able to continue learning effectively.

The school intends to remain fully open and operate as normal unless we are directed otherwise by the relevant authorities.

We are fortunate to have air conditioning in 80% of the school. The four remaining classrooms that are awaiting installation will have access to shared air-conditioned spaces with other classes whenever required to ensure that all children can remain comfortable throughout the day.

To help everyone keep cool, we will also be operating indoor lunchtime play, similar to our usual wet play arrangements. Children will have opportunities to enjoy quieter activities indoors during the hottest parts of the day.

Where appropriate, some shorter and less strenuous activities may still take place outdoors in shaded areas, such as Forest School sessions and other curriculum activities. Ravenscote staff led afterschool clubs will continue to go ahead this week and be brought inside if needed.

To support this, we ask that every child comes to school each day with:

- Sun cream already applied before arriving at school
- A full, named, refillable water bottle
- A named sun hat

We will continue to encourage regular hydration, make use of shaded and air-conditioned spaces, and adapt activities as necessary to ensure the wellbeing of all children.

Thank you for your support.

Best wishes,

A Wells

Mrs A Wells
Headteacher
