July 2026

Dear Parents of New Year 3 Children,

We are pleased to share updates from the school office following the induction day for our new Year 3 children. It was wonderful to see everyone having a great day!

Every child was given a storybook to bring home, which features Amelia, Rayan and Oliver starting at Ravenscote. Please do look at this with your child. This book can help address any questions your child might have before beginning their journey with us.

By now, new parents should have received several important documents, including:

- Handy Admissions Checklist
- 2026/2027 Term Dates
- Wrap Around Childcare Information.
- Community Open Afternoon information, on 8th July 2026 at 3.45pm – all welcome!
- Information from our PTA.
- Information Booklet
- Free School Meal and Pupil Premium eligibility checker
- Attendance Expectations
- Arbor Log In Information

In the upcoming weeks, parents will also receive further information including:

- Speedy Reference Guide (which details PE days for each class)
- Dates for your diary for 2026/2027
- 2027/2028 Term Dates
- Extra-curricular club details will be sent to parents during the first week of the new school year.

As a busy school, we strive to keep parents well-informed about upcoming events and important dates. The primary ways to stay updated include:

- The Arbor Calendar accessible via the Parent Portal on your computer or mobile device.
- The "Looking Forward to the Week Ahead" newsletter, typically sent every Friday. *HIGHLY RECOMMENDED*
- Diary Dates, provided before the start of every school year
- The school website's calendar
- Monthly newsletters from Mrs. Wells
- Monthly newsletters from each year group.
- Various letters, which are also available on our website.

We strongly recommend exploring our website regularly, as it contains all the answers to your questions.

Thank you for your continued support.

Best regards from the entire school office team:
Mrs Hinckley (Reception and First Aid)
Mrs Ray (Admin and First Aid)
Mrs Crouch (ICT Technician)
Mrs Tunney (School Business Manager)
Mrs Markson (PA to Mrs. Wells, Admissions, and Attendance Officer)
Mrs Howes (Admin and Finance)
Mrs Willoughby (Finance Officer)

Reminders from the Office

Absences
* The gates open at 8.30am. The children are expected to be in school by 8.45am. Children arriving after this time are to come to reception to be added to the register and will receive a late mark. Parents will receive an Arbor Message letting them know that their child was late to school.
* Illnesses are to be reported every day of the illness, ideally by 8.30am, using the Arbor Parent Portal or the Arbor App only please (24 hour service.)

Appointments We would like to emphasise the importance of minimising disruption to the school day to ensure the best possible learning environment for all children. To achieve this, we kindly request that medical, dental and optician appointments be scheduled outside of school hours whenever possible. This will help to reduce the impact on your child's learning. If this is not possible proof of any ongoing medical appointments may be requested. Your cooperation in this matter is greatly appreciated, as it allows us to maintain a focused and productive educational environment. The DfE states that pupils should only be out of school for the minimum amount of time necessary for the appointment. Thank you for your understanding and support.
Try to make all appointments out of school time - if unavoidable please give as much notice as possible. Complete our online Part Day LOA form. Evidence of appointments may be requested by our attendance officer.

Holidays during term time are never authorised - we have 14 weeks of school holidays.

Booking School Lunches Please make sure your child's lunch choices are selected by 11.59am for the following day. Lunches are to be booked on your child's Arbor Parent Portal or App. Please top up your account and then select meals required and make sure that you follow the process right through to the end. Please be aware that payments will not be deducted until meals have been taken. Lunches are cooked to order. If no meal is booked in advance there may not be a meal available for your child!

Booking Early Risers before school childcare If needed, please book your child's Early Risers bookings on your child's Arbor Parent Portal or App, by 11.59pm for the following day. Early Risers can get booked up so early booking is recommended. Please do not send your child to Early Risers if a booking is not made in advance. Once booked Early Risers bookings cannot be cancelled, so please be mindful when making your bookings. Parents MUST accompany their child to Early Risers.

Booking Ravens Roost after school childcare This MUST be done in advance. Ad-hoc bookings are not accepted. Ravens Roost is fully booked for most days. We only accept regular, continuous bookings. More details can be found on our website.

School finishes at 3.25pm A member of staff will remain at the gate(s) for approximately 10 minutes after the closure of school. Any children not collected will be brought back to reception and a late collection fee may be charged.

Contacting Your Child's Teacher If you need to contact your child's teacher, in the first instance please email to info@ravenscote.surrey.sch.uk, and put the teacher's name in the subject bar. Please allow 5 working days for a reply.

Forgotten Items We expect our children to be independent thinkers from day one. Children must remember to bring in items needed ready for each day. We do not encourage parents to drop off forgotten items. Any forgotten items brought into school will not be delivered to the classroom. A message will be sent to the class teacher, asking the child to collect the item during break or lunchtime.

After School Arrangements Please make sure that your child is aware of their arrangements for home time. It is extremely worrying for a child if they are unsure of who is collecting them, and for us when a child doesn't arrive for their club. Please discuss these arrangements with your child BEFORE school.

Messages for Children regarding changes to home time arrangements.
It is highly recommended that you use the same pick up point every day for your child, even if different members of your family do the pick ups. If your pick up arrangements change and you need to get an urgent message to your child, please call the office BEFORE 12pm to ensure the message is passed to the class teacher. Due to class movement we cannot guarantee messages received after this time will be received in time. Messages from parents will be emailed from the office to teachers. We cannot guarantee that messages will be seen by teachers if they are sent after 12pm.

The School Website We are proud of our website and work hard to keep it updated and fresh. All school letters to parents, diary dates and newsletters are posted on there, as well as school policies, so please visit it regularly.

Water Bottles Please make sure that your child remembers to bring in a named water bottle every day. Expensive Air Up bottles are not recommended and are not needed.

No Parking Allowed! We appreciate that parking around Ravenscote is not ideal**.** It is recommended that parents walk where possible. Parking on site is strictly for staff and authorised visitors. Parents are not permitted to park on site. Parking on site is not permitted when collecting children for appointments or returning children from appointments, or dropping off forgotten items. Please be considerate when parking on the roads around the school. Please do not tailgate our staff through the gate. Please do not stop or park in front our neighbours' driveways. Please do not try to access the car park when collecting from an after school club or in the morning if dropping off for a before school club. The school office receive weekly complaints from the local community regarding parking. It is unfair on our staff to have to deal with these calls where a few parents are being inconsiderate. All complaints are passed onto Surrey Police and the council. Our local PCSOs also patrol the area for inconsiderate parking, and amazingly children not wearing seatbelts.
Please do not stop, turn around or drop off in front of the school gates, in the kitchen/caretaker's entrance or on the zig-zags. Parking is not permitted in the car park of St Francis' Church.
Please be reminded that it is illegal to park or stop:·
* on zig zag lines
* dangerously
* in a way that would prevent emergency vehicles from accessing

Medication in school Where possible please give any medication to your child outside of school time. If you need your child to have medication during the school day you must complete an Administration of Medication form and return with the boxed medication to reception please. Please also be reminded that we are only able to give prescribed medication. Children are expected to come to reception at the required time to take any medication. Children are not reminded.

Busy Busy Busy!
We are an extremely busy school. Please do take the time to read through our newsletters, as they will contain a lot of information and dates for your diary. Our staff work very hard to produce these. Our *'Looking Forward to the Week Ahead'* newsletters will be sent to parents each week. These newsletters contain calendar dates and any changes to PE days for the week ahead.

Arbor Calendar The Arbor Calendar is another great way for parents to keep up with events coming up for your child. We recommend that you view your Arbor calendar regularly.

Spare Clothes/Trainers We recommend that children keep a spare change of old trainers in their locker, along with a change of tracksuit bottoms and socks, for those 'just in case' moments. While this is entirely optional, it can be incredibly handy on those days when the children get a little bit soggy. As you know, we value outdoor play and fresh air, and we do our best to encourage the children to enjoy the great outdoors whenever possible. Having a spare set of clothing would be incredibly helpful.

Sunhats/Lotion - during the hot, sunny days, the children are welcome to bring in a named sunhat. If sun lotion if needed, please apply before coming to school. Thank you

No Phone School! For safeguarding reasons, it is imperative that mobile phones are not used within school grounds, including during the collection of children from school and while attending after-school clubs or events. Maintaining a safe environment for our children is of utmost importance, and we appreciate your support in this matter.

Contacting the School Where possible please email any enquiries into the school. The office staff love speaking with parents, however please avoid calling the school office first thing in the morning, during lunch times and at the end of the day. Reception is open from 8.30am-4pm.

12th January: Year 6 "Looking Forward to the Week Ahead"

"Looking Forward to the Week Ahead" Newsletters
Parents will receive our 'Looking Forward to the Week Ahead' newsletter every week, usually on Fridays, by email. This newsletter outlines any important dates for the coming week. This newsletter will also show if there are any changes to PE days for that week. We understand that we are a very busy school, with lots going on and the office team work really hard to keep parents informed. Therefore, please make sure you read our communication. If for any reason you stop receiving communication from the school, please let the school office know asap so we can look into why. If you change your email address it is essential that you keep us updated.

Photo Permissions/Consents Parents can check permissions and consents given on their Arbor Parent Portal and App.

Children and social media Please check age restrictions on the different social media sites - they are there for a reason!

Trading Cards/Toys in school We would like to kindly remind parents and carers that children should not bring toys, trading cards, resin animals or similar personal items into school. While we understand these items are important to children, they can often become lost or damaged, and may lead to disagreements or upset between children. In addition, they can be a distraction from learning during the school day. We appreciate your support in ensuring that all children come to school ready to focus on their learning, without the worry of personal belongings.

Regards
Mrs Hinckley, Mrs Tunney, Mrs Ray, Mrs Markson, Mrs Willoughby, Mrs Crouch and Mrs Howes

Booking Lunches on Arbor

School lunches must be booked in advance on your Arbor Parent Portal or App. Full menus can be viewed on our website. To avoid wastage all meals are cooked to order. It is imperative that you book your child a school lunch, if needed, in advance. Children without a pre-ordered lunch will need to bring in a packed lunch.

Lunches must be ordered by 11.59pm for the following day. Once the deadline for the lunch orders has passed you will be unable to book a lunch and your child will require a packed lunch.

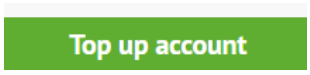

How to book a meal for your child

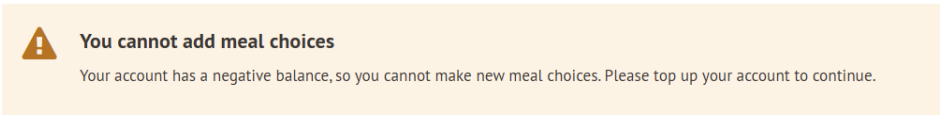

1. Log in to the App/Parent Portal.
2. Under Quick Actions.
3. Click on Meals
4. Click on the applicable term.
5. Click on the day required.
6. Make your selection for that week.
7. Click on the green Process button to continue. If wanted you can then add meals for further weeks.
8. Go to your basket to check out.

Each day, after the meal is taken the balance on your child's account will decrease by the meal price.

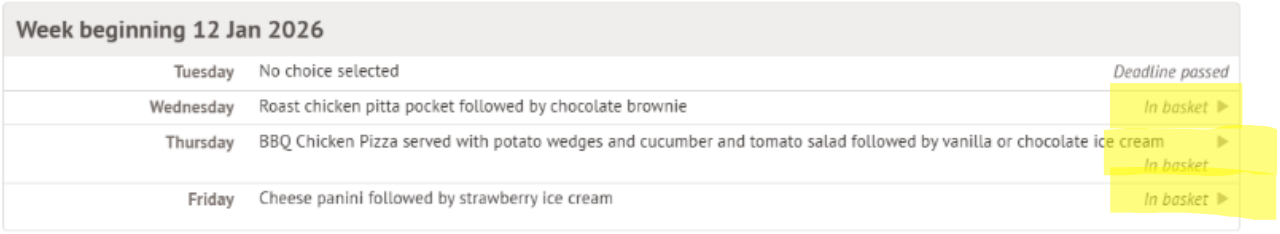

If your balance is insufficient, you will need to Top Up your account before you can select your child's meals.

Can I cancel or change my child meal choices? Yes – you just need to select the option of 'No Choice Selected'

For more information please click here: https://support.arbor-education.com/hc/en-us/articles/6956696271261-Meal-Menu-choices-on-the-Parent-Portal-or-Parent-App

Please remember to 'Check Out'.

School Permissions and Consents

We ask all parents to carefully check the permissions for their child/ren on the Arbor Parent Portal / App.

Please be advised that photos from school events, school activities and education visits and trips are posted on a secure page on the school website. Parents will be sent the password at the start of the school year. Photos are also displayed on social media, Instagram, however the children's faces are not shown. Photos from the school website and from social media can also be used for our newsletters. If you have not given permission for photos to be used on our website, social media or in our newsletters, you will not be able to see photos of your child enjoying activities at school.

Please remember that you can always view your child's permissions on your Arbor Parent Portal / App, under the 'Consents' section.

If you would like to change any permissions/consents please send the office a quick email, and put 'Arbor Consents' in the subject bar – info@ravenscote.surrey.sch.uk
