**Year 5 Water Sports Activity Day at
Horseshoe Lake Activity Centre - 15 & 16 September 2026**

Save the Dates!

Dear Parents / Carers,

This letter is for the **CURRENT YEAR 4 CHILDREN**, going into year 5 in September.

We have been lucky enough to book an amazing experience for the pupils who will be going into year 5 to kickstart their Autumn term – a day of water sports!

This will be a fantastic opportunity for children to build on their teamwork skills in their new classes and to try something new. The activity day will take place at the **Horseshoe Lake Activity Centre, Mill Lane, Sandhurst, Berkshire GU47 8JW**. The day will consist of 4 activity sessions; canoeing, dragon boat racing, paddle boarding and raft building. All equipment will be provided including wetsuits, buoyancy aids and life jackets for weak or non-swimmers. The activities are designed to be fun, exciting and challenging and help develop self-confidence and team work between pupils.

Transport to and from the activity centre is NOT provided by the school. Parents will need to drop their child off between 9am - 9.15am and collect between 3.45pm – 4pm. Due to limited parking, it is requested that where possible children share lifts to and from the centre.

In September, we will finalise which classes will be going on which day. It will either be **Tuesday 15th September or Wednesday 16th September**.

The cost of this activity is approximately £41. More information regarding this day, including the exact costing and how to pay will be sent to parents at the beginning of September.

Yours sincerely,

The Year 5 Team
