Family Link Worker

Dear Parents and Carers,

My name is Sara Morgan, and I am the Family Link Worker at Ravenscote. I have worked at Ravenscote for many years, and during this time I have had the pleasure of getting to know many of our wonderful children and families.

As Family Link Worker, I am here to be a friendly and approachable link between home and school. Sometimes families may need a little extra support, advice or simply someone to talk to, and I am always happy to listen.

I can support children, parents and carers with a range of things including:

- Helping families and children who may be experiencing changes in their lives, such as illness, separation or bereavement.
- Offering support and guidance around emotional and behavioural difficulties.
- Helping families with issues that may be affecting home or school life.
- Supporting children and families with school attendance and punctuality, so that children are able to make the most of all the opportunities school has to offer.
- Providing information and signposting to other services and sources of support where appropriate.

We also offer opportunities for parents and carers to join us for our drop-in coffee morning sessions each month to discuss any areas of concern that you may be experiencing. Please look out for the list of dates for these mornings that will be shared with you.

Please remember that you are not alone in navigating the ups and downs of family life. If you feel that a little support would be helpful, I am here to listen.

I am based in the school office but you may find me out and about with our school dog, Margot, on the playground or school field at morning drop-off. So, if you see us, please do come over and say hello! You do not need to have a particular concern or problem – I am always happy to have a chat to get to know you and your family.

If you are not able to catch me in school, please contact me via email: flw@ravenscote.surrey.sch.uk or phone number 01276 70900

Warmest wishes
Sara Morgan
