Dear Parents and Carers,

At Ravenscote Junior School, we are passionate about helping our pupils become compassionate, thoughtful citizens who make a positive difference in the world. Each year, we support a charity that aligns with our values and this year we are proud to announce that our chosen charity is ***Jigsaw South East.***

Jigsaw South East is a charity which supports children, young people and their families who have experienced bereavement. They provide a safe and supportive space for children to understand and express their feelings, helping them navigate the challenges of grief and feel less alone during some of the most challenging times in their lives. By choosing Jigsaw, we hope to ensure that more families can access the support they need during challenging times.

Our goal is to raise £6,200 over the course of the year and every pound raised will help Jigsaw South East continue its invaluable work supporting bereaved children and families.

We will be holding a range of exciting fundraising activities throughout the year, including:

- Non-uniform days and dress-up events
- Sponsored challenges
- Student-led fundraising stalls
- Seasonal events and activities
- Lots, Lots more!

Our fundraising activities will provide opportunities for our pupils to get involved, work together and see how small acts of generosity can make a meaningful difference to others.

Together, we can help Jigsaw South East continue providing vital support to bereaved children and families, while showing our students the power they have, to create positive change within their community.

Thank you, as always, for your continued support and generosity.
