Company Registration Number 9279884 (England and Wales)

Ravenscote Junior School

Essential Visitors to our School during COVID pandemic agreement

You may only enter the school if you are an essential visitor and have an arrangement with a senior member of staff to be on the premises.

Please read this guidance carefully.

Ravenscote Junior School is asking for the support and understanding of our visitors in helping us minimise the risk of COVID-19 to our pupils, staff and families.

Our school continues to take guidance from Public Health England and the government. Taking this into account, we are now limiting access to the school site to essential visitors only. If you are unsure as to whether your proposed visit is considered essential, please email the School Reception - info@ravenscote.surrey.sch.uk

If your visit to Ravenscote School is an essential one, we would still ask that you refrain from visiting if:

- you have developed a fever (above 37.8C) or a new, continuous cough within the last seven days.
- anyone in your household is required to self-isolate in accordance with Government guidelines.

Along with all members of the Ravenscote school community, any visitors to the school should wash their hands with soap and water before leaving home and again when they arrive at Ravenscote school. Gel hand sanitiser will also be available on arrival and throughout your visit.

For the avoidance of potential embarrassment, we would also like to advise you that the School is currently operating a 'no handshake' policy for all members of its community.

Working with children

We would ask that when working with children you observe the recommended social distancing guidance and maintain a 2-meter distance. If your work with a child involves closer or direct physical contact it is important that you use appropriate PPE equipment including gloves and an approved face mask or visor. This must be provided by your own agency and will not be available from the school so should be brought with you for your visit. Please be sure to limit any contact with equipment or surfaces during your visit and inform staff if you have made any contact with surfaces in order that these can be appropriately sanitised.

We apologise for not being able to give you our usual warm welcome, but we must take the current situation very seriously and look after the welfare of our pupils and staff.

If you have any questions, please contact the member of staff you were due to visit.
