

History Funding Supported by the PTA

Last year we donated money raised by the PTA to support a History bid within the school for all year groups. This week we were thrilled to receive an email from Mrs Brookes detailing what fun the pupils have had learning all about history, accessing artefacts and developing the history timeline.

This is just one of the many bids we support within the school and it has been great to see first hand the enjoyment & learning that has come with this investment.

In order to continue to support these crucial bids we have quite a few events planned to help to raise the necessary funds, so please get involved where you can. In the mean time please enjoy these pictures of our purple people accessing these new items.

If you would like to be involved in the PTA please email admin@ravenscote-pta.org.uk
